GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notification.

Sealed tenders will be received by the undersigned upto the 15th August 1929, 12 noon for carting 45 feet Creosoted Balagi poles and other materials, such as, galvanized, alluminium and copper wires, insulators, clamps, etc., etc., for use on transmission lines of the following sections of the Electrical Department :—

(1) Mysore to Sivasamudram
(2) Sivasamudram to Kankanhalli
(3) Kankanhalli to Sarjapur
(4) Sarjapur to Kolar Gold Fields
(5) Bangalore to Kankanhalli
(6) Bangalore to Tumkur
(7) Bowringpet to Kolar

during the year 1929-30 and up to the date of accepting fresh tenders for 1930-31, tenders must be given in the following form :—

Details	Unit	Rate per mile by road	Rate per mile by cross country
(1) for carting 45′ creosoted balagi poles, weighing 1,600 to 2,000 lbs. each.	Per pole		
(2) for carting galvanized alluminium, copper wires and other materials such as, insulators, clamp, etc.	Not less than 1,500 lbs. per cart.		

Tenders should be accompanied by an earnest money of Rs. 50, in currency notes and should be superscribed "Tender for carting Balagi poles and other materials to the Electrical Department." On disposal of the tenders, the earnest money of the successful tenderer will be retained during the pendency of his contract and those of the rest refunded to them.

The Chief Electrical Engineer reserves the right to accept or reject the lowest or other tender without assigning any reason therefor.

The successful tenderer should on receipt of intimation from this office that his tender is accepted, execute an agreement binding himself to observe the following conditions :—

(*a*) That he will be ever ready during the period of contract to provide the required number of carts for the despatch of materials referred to above whenever called upon within 24 hours notice;

(*b*) That in case of failure on his part to furnish the required number of carts at the required time, carting of the materials will be otherwise arranged making the contractor liable to pay up the extra cost, if any, incurred thereby. After repeated failure, the contract will also be liable for termination at the discretion of the Chief Electrical Engineer and the earnest money of the contractor forfeited.

B. RAMANUJA IYENGAR,
For *Chief Electrical Engineer.*

GOVERNMENT EXPERIMENTAL FARM, HIRIYUR.

Notice dated the 8th July 1929.

Sealed tenders will be received in the Office of the Farm Manager, Babbur Farm, Hiriyur, for the supply of miscellaneous store articles mentioned below for the use of the Babbur Farm, Hiriyur Taluk, 28 miles from Chitaldrug Railway Station, up to 2 P.M., on Saturday the 17th August 1929.

Conditions.

1. The approximate quantity and description of the articles required are given in the statement below and tenders should be sent in the form of that statement noting the rate at which the articles will be supplied on the Farm. The rates quoted should be inclusive of the cost of delivery at the Farm.

2. Tenders should be superscribed "Tenders for the Supply of Miscellaneous Articles for the Babbur Farm."

3. A deposit of Rs. 50 should be paid in cash and should accompany the tender, without which, tender will not be considered. The rates given in the tender should hold good during the official year 1929-30.

4. No application from the contractor or contractors for any sort of concession owing to the rise in the price of articles in the market or any other cause, will be entertained.

5. The quantities given in the Schedule are only approximate and cannot be guaranteed.

6. The articles will have to be supplied from time to time on indents made by the Farm Manager.
